Conference & Speakers for "Techniques-To-Go"

- * Learn clinical information to help your patients.
- * **8 hours of continuing education** presentations, visit vendors, see old friends.
- * See the revised the schedule below.
- * AOM Vendors. Book sale sponsored by New Renaissance Bookstore w/seven tables of AOM books.
- * OCOM students earn 4 general outreach credits per day. See www.communityoutreach@ocom.edu

Attend the Membership Meeting Sat., April 12: 9:15 am – noon & 1:30-2:30 pm.

We will be discussing the current situation and our options for the future. The eventual goal is to have a strong organization representing the interests of LAc's and AOM in Oregon. The general form of this organization will be determined at this meeting. All options will be considered. Your input is vital. There is considerable work ahead which cannot be accomplished without the membership stepping up. Please attend the meeting and be a part of the future of Acupuncture and Oriental Medicine in Oregon. Non-members are welcome too. There is no charge if you are only attending the meeting. David Tara, LAc

Bios of our speakers on the website will be posted by Monday, April 7.
